

Dear friend,

Christian greetings.

You and your family are important to our church. Strong families are the building blocks of a stable society. The _____ Church will be celebrating “Baby Parade Sunday” May 2 at 10:00 AM. There will be special activities to honor families with small children. We will introduce babies to the congregation and take pictures for posting on the bulletin board. Families with small children will receive a gift from the church. Your family is invited to worship with us on this exceptional day of celebration. We are hoping you will come and enjoy this exciting occasion with us.

Sincerely,
